Out Come of workshop

The Workshop entitled “**Talk on Indian Wildlife and conservation**” was conducted on 26-09-2019, for all the students of our college. More than 250 students participated in the workshop. The five speakers were delivered on wildlife and conservation, and also how human beings have to behaviours with animals and birds. They have beautifully explained precautionary measures for saving wildlife. The speaker also spoke about importance of wildlife, how it will be helpful to human being and what are the reasons in decrease in the number of wild animals in India. We surely hope that some of measure will be adopted by students in order to save wildlife in Hosapete as well as in Karnataka. Lastly function ended with remarks from our beloved In-Charge Principal Sri. Anandhalli .
